

Have you ever. . .

Sped down class III rapids in a six-foot kayak?

Scuba dived in the Florida Keys?

Climbed up a cliff?

Canoed into Canada?

Navigated a sailboat over miles and miles of clear blue water?

Helped rebuild a forest?

Camped in the wilderness with nothing but what you could carry?

Taken a nap on top of a mountain in New Mexico?

Survived on a deserted island in the middle of an ocean

Played hacky sack until you thought your foot was going to fall off?

Then we've got something in common. If not, then have we got an adventure for you. Crew 9213 is a high adventure Venturing Crew sponsored out of Vertical Stronghold and St. Gabriel's. This means we are a coed (BOYS AND GIRLS!) branch of the Boy Scouts that is run by the youth. We decide what we want to do and then go out and do it. We are one of the oldest Venturing Crews in our council and so we have a lot of experience in having a lot of fun!

To join, you need to be either 15 years old or 14 AND have completed the eighth grade. Youth membership goes up to your 21st birthday. Outings are paid for as they occur and we try to have a mixture of day trips, weekend trips, and week long (or more) outings to match your Interests, and your finances.

Sound like something you are Interested in? Want to know how to join? Then either e-mail, phone, or write the crew advisor:
